

Newspaper deadlines early for summer 2019

written by Special to Arkansas Catholic |

If you have events or promotions scheduled early in June, July, August or September, you'll want to send your news or run your ads earlier than usual. *Arkansas Catholic's* scheduled summer breaks mean there will be no issues published the first week of each of those months.

- If your event or promotion is in early **June**, send your news release and place your ad by May 15, to get in the May 25 issue. (No issue June 1.)
- If your event or promotion is in early **July**, send your news release and place your ad by June 19, to get in the June 29 issue. (No issue July 6.)
- If your event or promotion is in early **August**, send your news release and place your ad by July 17, to get in the July 27 issue. (No issue Aug. 3.)
- If your event or promotion is in early **September**, send your news release and place your ad by Aug. 21, to get in the Aug. 31 issue. (No issue Sept. 7.)
