

Bible study

written by Arkansas Catholic Staff |

An online Bible study designed for women who have experienced an abortion will begin Feb. 27. Participants for “Hope & Healing” will meet virtually Thursdays from 6-7 p.m. The free Project Rachel Ministry event will examine the effects of a past abortion and the steps toward healing. The study will delve into the stories of 12 women from the Bible. Call or text Project Rachel at (501) 663-0996 or email projectrachel@dolr.org for more information.
